No. 2172 / 4706 Enc. 1.

(1)

Received & submitted today for Dewan's orders. 2/8/86 RK

From

Major E. A. FRASER,

Assistant to the Resident in Mysore.

To

The Dewan of Mysore.

Dated, Bangalore, 2nd August 1886.

Sir,

1457 G. dated 19th July 1886.

I am directed to transmit copy of the letter marginally cited from the Government of India in the Foreign Department.

2. As Mr. Lyall reads the letter it is understood that it is under consideration to introduce a Station Hospital System which would probably involve the establishment of one Hospital and one Medical Officer in large Stations in place of a separate Medical Officer and Hospital for each Native Regiment. Under such a system fewer Medical Officers of the Commissioned rank would be required in the Service; but on the occasion of emergencies, such as war and the like, the reduced number of Medical Officers in Military employ might need to be augmented. Under such circumstances.

the Government would seek to strengthen the Military establishment by transfers from the Civil lists.

3. With this explanation, I am to request that you will favour the Resident with your opinion whether any of the covenanted Medical Officers in Civil employ in Mysore could be withdrawn for Military Service in the event of extraordinary emergency without very serious inconvenience.

4. I am also to request that a list may be furnished giving the exact strength of the Medical establishment in Mysore. If the list given at page 246 of the Madras Army list dated 1st July 1886 is correct, this information need not be furnished separately. An early answer is requested.

I have the honour to be,
Sir,
Your most obedient Servant,

F. A. Fraser
Asstt: to the Resident.

Simla, the 19th July 1886.

FOREIGN DEPT. SIR,

WITH reference to a proposal now under consideration, to introduce the Station Hospital system for Native Troops, which, if carried into effect, will involve a substantial reduction of the Indian Medical Service, I am directed to request the favor of your opinion as to the number of Covenanted Medical Officers that might, without very serious inconvenience, be withdrawn from Civil employ for Military Service, in the event of any extraordinary emergency. In considering this matter, it must be borne in mind that all officers of the Apothecary class in Civil employ would probably at the same time be withdrawn.

2. I am also to enquire the exact strength of the Assistant Surgeons and Hospital Assistants in Mysore.

3. In conclusion, I am to request that the Government of India may be favoured with an early reply.

I have the honor to be,

SIR,

Your most obedient Servant,

(Sd.) W. J. CUNINGHAM,

Offg. Under-Secy. to the Govt. of India.

In acknowledging the receipt of your letter
No. 2172/4706 of 2nd August 1886. I have
the honor to inform you that there are
only 2 Commanded Med. Officers in Mysore —
— Surgeon Major Md Gann & Surgeon Murray in
Bangalore — ~~The transfer of these Officers without~~ The
withdrawal of these Officers without suffr.
previous notice will put the State to some
inconvenience. There are employed in Mysore
~~of the~~ & asst. Apothecaries ~~of the~~ Apothecaries
of the British service. The
withdrawal of them for military duty will also
put the State to any serious inconvenience.

I beg to forward herewith as desired
a Complete Rl. of the Med. Establt. in Mysore
noting whether the Officers belong to the
British or Mysore Service, & if to the
former, for what period their
services have been lent to Mysore

Thanks

My dear Mr Shekadri

I see a Govt Circular or notification was issued lately by the Govt of India, but it has not reached me regarding the liability to recall of Medical officers of the Indian Service, sent to Native States on Extra Service & are put down as recallable from Mysore. I was talking to Dr Dobson on the subject a day or two ago & he told me that when the thing came to him from the Resident Office he would have to represent that the duties of the Res't Surgeon are such as to require the presence of a
